- This is the year where God raises us to guide systems within the kingdom that we have to live with,
- God will make our name great!

God is erecting a new future for us!

**BE EFFECTIVE because opportunities are unlimited for effective and responsible people!**

**SUCCESS IS OURS TO HAVE!**

- The peacemakers are those who bring calm while they are situated between opposing opinions.

**In 2018, you will master your Invisible Complexity!**

## **FIT sharing**

- Have clear and distinct team parameters!
- If it is beneath people to personally serve with you then it is beyond them to publicly reap with you.
